U-POP & LUTD 2026: A Global Consensus Conference Sponsor Prospectus

General Meeting Information

Title: U-POP & LUTD 2026: A Global Consensus Conference on the Primary Surgical Management of Uterovaginal Prolapse and Lower Urinary Tract Dysfunction.

Dates: April 20-21, 2026

Location: Winston-Salem, NC, USA

Venue: Bowman Gray Center for Medical Education

Attendee Hotel: Embassy Suites by Hilton Winston Salem

Address: 460 N Cherry St, Winston-Salem, NC
27101

Group discounted rate: \$155 plus taxes and fees

On behalf of the organizing committee, it is a pleasure to announce a truly global consensus meeting including key opinion leaders from all over the world brought together to discuss controversies in surgical management of primary uterovaginal prolapse, associated symptoms, preoperative assessment, outcomes, and complication mitigation.

Attendance is by invitation only. We have 125 confirmed attendees, including global urogynecology and urology experts.

Primary Objectives:

1. To develop a consensus on clinical and controversial aspects of primary surgical management of uterovaginal prolapse & Lower Urinary Tract Symptoms.
2. To establish attainable targets in best practice for surgical indications, pre-operative assessment, surgical techniques, patient-reported outcomes, and complication mitigation.

Invited Participants Include:

1. Global key opinion leaders in U-POP assessment, treatment and complication management.
2. NIH Program officer from NICHD Gynecology branch
3. Fellows and young researchers in the field.
4. Representatives from selected companies and foundations seeking to provide evidence-based treatment options for POP and develop new therapies for U-POP.
5. Patient support group for patient-reported outcomes development

Hosted by: Wake Forest University School of Medicine Department of Urology, Division of Urogynecology and Pelvic Reconstructive Surgery

Program Outline:

Sunday, April 19, 2026

- 4:00 Hotel Check- In
- 6:30-8:30pm Dinner

Monday, April 20, 2026

- 8:00-5:00pm Day 1 of Meeting
- 7:00-9:00 pm Dinner

Tuesday, April 21, 2026

- 8:00-3:30 Day 2 of Meeting

Sponsorship Information

The organizing committee is excited to offer all companies the opportunity to support the conference by becoming a sponsor and/or exhibitor. Conference sponsorship will give you unparalleled access to over 120 global leaders in urology, urogynecology and gynecology. Sponsors may opt for a single sponsor item, or multiple sponsorship opportunities and/or categories are possible. Sponsorship levels are reached by contracting any of our sponsorship packages or by reaching the value of a sponsorship package through individual items or a customized package.

Sponsorship Levels

The organizing committee is committed to maximizing your company's visibility at the meeting with signage, banners, exhibits and recognition from the podium. We seek active engagement with industry to understand specific requests for physician engagement. The

selection and combination of support items to reach the cumulative value of the desired sponsorship level is up to you. If you are interested in items not listed in our prospectus, please contact us to discuss!

U-POP & LUTD 2026: A Global Consensus Conference Confirmed Participant List

Committee:	Indications for surgery: Assessment of Patient Factors
Chair	Cara Grimes
Co-Chair	Ann-Sophie Page
Committee Members	S. Abbas Shobieri
Committee Members	Carolyn Swenson
Committee Members	John O.L DeLancey
Committee Members	Ka Lai Shek
Committee Members	Kristen Kluivers
Committee Members	Laura Cattani
Committee Members	Maryse Larouche
Committee Members	Roxana Geoffrion
Junior Researchers	Agustina Vendramini
Junior Researchers	Marie Sullivan
Committee:	Indications for surgery: Management of Urinary symptoms in women with primary uterovaginal prolapse
Chair	Victor Nitti, MD
Co-Chair	Christopher Tarnay
Committee Members	Brittany Roberts
Committee Members	Francisco Orejuela
Committee Members	Kathleen Kobashi
Committee Members	Kaven Baessler

Committee Members	Luciana Freitas
Committee Members	Maude Carmel
Committee Members	Niels Klarskov
Committee Members	Rachel High
Committee Members	Rahul Dutta
Committee Members	Rebecca Silva
Junior Researchers	Christina Mezes
Junior Researchers	Michele Torosis
Committee:	Role of preoperative diagnostic testing
Chair	Jaromír Masata
Co-Chair	Lieschen H. Quiroz
Committee Members	Ankita Gupta
Co-Chair	Anne Cameron
Committee Members	Emily Snethkamp
Committee Members	Fernanda Pipitone
Committee Members	Hans Peter Dietz
Committee Members	Julia Geynisman-Tan
Committee Members	Maria Emilia Alcoba Gutierrez
Committee Members	Nancy Ringel
Junior Researchers	Annika Sinha
Junior Researchers	Gali Levy
Junior Researchers	Paivi Karjalainen
	Steve Abramovitch
	Ghazaleh Rostaminia
Committee:	Surgical interventions for uterovaginal prolapse: Define ideal patient phenotype for each procedure and “best practice” surgical technique/approach. Include videos for each “best practice” technique.
Chair	Catherine Matthews
Co-Chair	Mark Walters
Committee Members	Andre Plair
Committee Members	Anna Zdroik
Committee Members	Cecile Ferrando
Committee Members	Erin Brennand
Committee Members	Hnin Yee Kaw
Committee Members	Hugo Van Eijndhoven MD, PHD

Committee Members	Judith Goh
Committee Members	Katherine Woodburn
Committee Members	Kimberly Kenton
Committee Members	Lucila Pavan
Committee Members	Mette Hornum Bing
Committee Members	Marine Lallemand
Committee Members	Olivia Chang
Committee Members	Peter Rosenblatt;
Committee Members	Rajamaheswari Natarajan
Committee Members	Roy Ng
Committee Members	Sarah Ashmore
Committee Members	G. Willy Davila
Committee Members	Yu Hwee Tan
Committee Members	Jan Baekelandt
Committee Members	Monique Vaughan
